Thriving in a current leadership position as the Moorage and Office Supervisor at Port of Edmonds. I am looking to change careers into the world of technology. My current goal is completing the University of Washington Full Stack Coding Bootcamp; due to graduate in April, 2023. This curriculum of front-end and back-end technologies, along with my leadership experience makes me the ideal candidate for this role.

SKILLS

- Node.js
- Object-Oriented Programming
- Server-Side APIs
- Third-Party APIs
- GitHub
- jQuery
- JavaScript
- CSS
- HTML
- Supervisory Skills
- Microsoft Office

WORK HISTORY

Port Of Edmonds

Moorage and Office Supervisor // October 2021 to Current

- First full year resulted in 5 year highs for occupancy and moorage revenue.
- Supervised a cohesive team of office and operational staff.
- Increased Port revenue by accurately and strategically managing the entirety of the Port's moorage and waitlist program.
- Automated office operations for tracking incoming tenants, terminations and transfers.
- Crafted and presented quarterly and annual reports using data entry and statistical analysis.

EDUCATION

Full Stack Coding Bootcamp - Computer Science
